@shubnika1@gmail.com

Berlin, Germany

www.linkedin.com/in/nikolozshubladze

German Resident (Have work permit)

EXPERIENCE

Athlete

Georgian National Water Polo player

08/2015 - 09/2022 Tbilisi, Georgia

- Part of the club (Dinamo, Tbilisi) which participated in the Champions League for three consecutive years
- Part of the National team ranked 8th in Europe and 10th in the world

Junior IT specialist

Ilia State University

09/2014 - 05/2015 Tbilisi, Georgia

- Provided technical support to end-users, resolving hardware and software issues, resulting in decreased downtime by 30%
- Assisted in the installation, configuration, and troubleshooting of hardware and software systems
- Collaborated with senior specialists to resolve technical issues and provide end-user support

EDUCATION

Data Science & AI

Le Wagon

12/2023 - 02/2024 Online

- 9 week, 360 hours full-time intensive coding bootcamp
- Worked on Olist's e-commerce dataset to optimize customer satisfaction, profit margins, and order volume
- Contributed to a collaborative project utilizing XGBoost for predicting next year's car prices and implementing KNN to identify similar cars. This project facilitated informed decision-making by allowing users to compare potential purchases based on projected depreciation and similarity to preferred models
- Acquired valuable experience in high-pressure, time-sensitive environments

Bachelor of Business Administration in Management with a minor in Computer Engineering

Ilia State University

09/2012 - 06/2017 Tbilisi, Georgia

LANGUAGES

English, Georgian, Russian, Croatian.

German A2 (Still learning)

SUMMARY

As a former national level professional athlete, I discovered a parallel passion for coding while pursuing my university education. Alongside my dedication to sports, my enthusiasm for coding only grew stronger. I've made the leap from the field to the keyboard, ready to tackle any challenge with the same determination and discipline that fueled my athletic career.

CERTIFICATION

42 Berlin

Successfully completed the Piscine program at 42 Berlin, mastering fundamental skills in C++, shell scripting, and Linux (07/2023-08/2023)

F1 academy

Achieved certification from F1 ACADEMY for completing a foundational Python course (10/2021-02/2022)

FreeCodeCamp

Achieved certification from FreeCodeCamp for mastering fundamental skills in Html, Css, Javascript (02/2021-08/2021)

SKILLS

Data Analysis

Python Pandas SQL jupyter

VS code Debugging Seaborn

Matplotlib Numpy

Machine/Deep learning

Scikit-Learn XGboost

TensorFlow/keras Neural Networks

ML ops

Google Cloud Platform Docker

FastApi Streamlit(Front) Git

Github
